

ELLA ELEMENTARY SCHOOL

DECEMBER 2020

Aeries Parent Portal

We encourage all of our Ella families to sign up for an Aeries Parent Portal Account. In the future, this is how report cards will be shared with our families. This is also an invaluable tool for families to take part in their student's education. Information regarding your student's assignments, attendance and grades are located in Aeries and easy to access daily. This is also an important communication tool used by both the district as well as Ella School. Instructions were provided to families during Chromebook distribution in August, as well as during our report card distribution on November 30th. Please do not hesitate to contact the school for information and assistance in setting up your parent portal account!

First Trimester Report Cards

Report cards and first trimester progress are posted in Aeries. Please access your parent portal account to view your student's report card.

On November 30th, Ella staff distributed printed report cards to families. If you were unable to attend this distribution and would like a printed copy of your student's report card, please contact your student's teacher so that one can be provided.

On Campus Learning Reminders:

Please remember that staff and student safety is our number one priority. For those returning to our campus, please plan accordingly as traffic can be an issue. To enter campus, all students must take part in a health screening where temperatures will be taken. The main check in and screening checkpoint is located near the main office, in the front of the school. We are asking that all kinder and first grade families utilize this entrance. Check in stations are open from 8:00am—8:30am. The entrance near the main office will remain open until 9:00am for those students who are tardy. After 9:00, students will need to check in at the main office.

Ella School will eventually offer 3 locations for entrance onto campus. The second and third screening locations will open as we welcome additional students on to campus. The second screening is located on Olivehurst Ave, where lunch distribution occurs. The third screening location is near the back of the school on the corner of Olivehurst and 8th Ave.

We are excited to safely welcome more of our students back on campus!
