What's Happening at Ella

Ella continues to partner with the Yuba Sutter Food Bank to provide food boxes to 50 families in need. Our September food delivery was very successful and families were supplied with fresh vegetables and fruit. We look forward to our October 13th delivery!

Campus Slowly Opening

Ella staff welcomed over twenty students onto campus last month to complete in-person, individual ELPAC testing. The district guidelines and protocols were followed which kept students and staff safe. We are eager to begin opening to allow more students onto our campus to get the educational help they need!
